Final Presentation Topics    RE351-E

The final presentations will take place on April 27th, May 2nd, May 4th and May 9th. It will be a group presentation of at least 3 people with each group responsible for one of the following topics:

Biodiversity       Deforestation
Genetic Engineering Right to Die
Abortion           Intelligent Design
Sexual Preferences Alternative Medicine
Criminal Rehabilitation

Please pick your top 3 preferences on the warm-up for Thursday, you will then be grouped with others with similar preferences. Each presentation will be fifteen minutes in length with an additional five minutes reserved for questions. Each group will be responsible for meeting with a professor at least three days before their respective presentation date. The main thrust of the presentation should be the overlap of these topics in the scientific and theological realms.
