In Chapter 12, Singer addresses the question, “Why act morally?” Summarize his views on why one would choose to act morally. What aspects do you most agree or disagree with?

Your paper should be one page long, single spaced with a font size of 12. Margins should be 1” on each side, top and bottom. Please do not include a title block or reiteration of the question at the top of the paper. Simply begin your discussion or essay on the first line. You are expected to proofread and spell check your paper before turning it in.

Please hand write the word “pledged” in the bottom right corner of the page to signify that the essay you are submitting is consistent with the Honor Code.
