Writing Assignment #7

Topic : In chapter 9, eight proposals which constitute the Global New Deal are presented. Choose two of the proposals to reflect upon. Choose one which you feel has a strong probability for success, and another which seems less likely to be successful. For each proposal, briefly summarize it and explain why you think it is likely (or unlikely) to be successful. Also identify potential problems you anticipate with the success of each. Do you believe these problems can be overcome? Why? How?

Your paper should be one page long, single spaced, in Times Roman with a font size of 12. Margins should be 1" on each side, top and bottom. Please do not include a title block or reiteration of the question at the top of the paper. Simply begin your discussion or essay on the first line. You are expected to proofread and spell check your paper before turning it in.

Please hand write the word "pledged" in the bottom right corner of the page to signify that the essay you are submitting is consistent with the Honor Code.
