Writing Assignment #13

Writing Assignment associated with the role of the Arts in our lives.

Topic 1: How important are the arts to our culture? How should the arts be financed? In difficult economic times, should art be supported by the government? If not through tax-based support, what are the alternatives? What are the advantages of one source of support over another?

Topic 2: What makes art art? Is something art just because an artist says that it is art? Choose one or two works of art that you remember from the plenary and discuss why you think or do not think they are examples of art.

Your paper should be one page long, single spaced, in Times Roman with a font size of 12. Margins should be 1" on each side, top and bottom. Please do not include a title block or reiteration of the question at the top of the paper. Simply begin your discussion or essay on the first line. Do not double space between paragraphs. You are expected to proofread and spell check your paper before turning it in.

Please hand write the word "pledged" in the bottom right corner of the page to signify that the essay you are submitting is consistent with the Honor Code.
